

ABHISHEK SHRESTHA

Full Stack Developer | <https://www.obuseklearns.dev>

CAREER SUMMARY:

Full stack developer shipping production web apps and SaaS products with TypeScript, React, Next.js, FastAPI and Node. Experience spans ecommerce platforms, CMS work with Sanity and custom panels, and running the infrastructure underneath — VPS, Docker, Google Cloud and CI/CD — with a standing bias toward performance, SEO and clean architecture. Currently at 5Oak and co-founder of Zervees, both in Kathmandu
